

WELCOME TO THE REGION OF UPPER SWABIA-ALLGÄU!

The gently undulating countryside of the Upper Swabia and Baden-Württemberg's part of the Allgäu region is perfect for cycle tours to suit every taste and level.

Attractive routes, friendly hosts, e-bike rental and charging stations – the cycling region offers the complete care-free package.

Enjoy your own personal experience exploring the region by bike over a total of more than 1.000 kilometres and discover panoramic roads, places of cultural interest and endless expanses of scenery along the way.

ROUTES WITH SPECIAL DESIGNATION

Cyclists have a choice of two long-distance routes that have been classified as 'quality cycling routes' by the ADFC. The **Upper Swabia-Allgäu Cycle Route** and the **Danube-Lake Constance Cycle Route** won't just impress because of their varied routing and exciting sights along the way – they have also been tested in terms of safety, accessibility and signposting. Furthermore the **Cycling Region Württembergisches Allgäu** offers 13 thematic round trips and is also classified by the ADFC.

UPPER SWABIA-ALLGÄU CYCLE ROUTE

The Upper Swabia-Allgäu Cycle Route combines the natural and cultural treasures of Upper Swabia and south-western part of the Allgäu region on a 365-kilometre circular route. The route takes you through protected biodiverse areas and over rolling hills, with baroque churches and monasteries, and grand palaces and castles lining the route.

DANUBE-LAKE CONSTANCE CYCLE ROUTE

This route leads from the world's highest churchspire to the banks auf Lake Constance, linking two well-known and popular routes: the Danube and the Lake Constance cycle trails. What's more, the Danube-Lake Constance Cycle Route is more

than just a connection it has many attractions of its own, quite apart from the beautiful scenery.
